Subject:- Purchase Receipts --In respect of medicines and nourishin diet -- submission of for the months of July, August, and September, 1951-

---

Dear Sir,

I am enclosing hereiwth purchase receipts duly prepared in respect of the nourishing articles and tonics etc. spent for me in the months of July, August, and Septemeber respectively.

The receipts have been duly signed by witnesses and the bill is correctly prepared according your instructions. I request that the amounts for the month of October, November and December may be sent to me early. I am slowly improving in my health and hope to improve further: my pain in the arm has not subsided and I am not getting regular sleep. I expect that I will be better in course of time.

I have to thank you very much for the trouble taken on my behalf and I hope you will continue to lend a helping hand to me often. Considering the poverty and the pecuniary circumst nces of my family and the pitiable state I am thrown into I am sure that Go will reward you amply for the help done to a poor soul like me.

Awaiting an early reply and thanking you once again,

Yours faithfully,

Gertrude Pereira
